

# ESSENTIALS KIT

The **MXL Essentials Kit** offer drummers and percussionists everything they need to start recording or performing. This all-in-one kit combines the popular **MXL A-55 Kicker** and the **MXL 606** instrument microphones.

The **MXL A-55 Kicker** is a killer dynamic mic for kick drums, bass cabinets, congas, or any other low frequency instruments. The MXL A-55 captures deep bass and low-end punch while maintaining a clean and clear pick-up for fast attacks.

The **MXL 606** instrument microphone delivers the sound you are looking for when recording snare drums. This microphone features transformerless FET circuitry and a gold sputtered diaphragm capsule that provides a clean and clear tone. The 606 also features a -20 dB switchable attenuation pad and low-frequency roll-off eliminating undesirable low end leakage for your recording.

## A-55 KICKER

- ▶ Captures deep bass with low-end punch and fast attack
- ▶ Durable metal construction
- ▶ Ideal for kick drums, djembe, and congas

## 606

- ▶ Designed for snare drums, yet useful for all instruments
- ▶ High-pass filter for removing unwanted low frequencies
- ▶ -20 dB pad for higher SPL recording
- ▶ Extremely small footprint and easy to place

## INCLUDED ACCESSORIES

Aluminum Flight Case

Hard Mount Mic Stand Adapter

Shockmount

MXL Microfiber Cloth
