

V67 RECORDING KIT

The **MXL V67 Recording Kit** combines two highly respected studio-quality microphones. The **V67GS** offers a smooth rising presence peak, which is preferred for vocals when there is heavy low end in the mix. The **V67N** is a small diaphragm condenser microphone for recording instruments, choirs, and ensemble music.

V67GS

- ▶ Extremely versatile solid-state vocal microphone
- ▶ Bass roll-off attenuator to fit any recording situation
- ▶ Perfect for enhancing both vocals and instruments
- ▶ Excellent for stringed instruments and percussion
- ▶ Great for R&B, rock, country, and hip-hop

V67N

- ▶ Pencil microphone that gives instruments a balanced sound
- ▶ Ideal for bright instruments, such as acoustic guitars and violins
- ▶ Two interchangeable capsules for all kinds of recordings
- ▶ Transparent sound with a crystal clear tone
- ▶ Flat response that leaves recordings pure and natural
