New Tube Mic From MXL Is A Revelation For Singers and Sound Engineers

The Revelation Solo is a fixed cardioid tube microphone with a warm, vintage sound.

El Segundo, CA (July 11, 2013) – MXL, a division of Marshall Electronics and leading manufacturer of microphones, announces the release of the Revelation Solo Fixed Cardioid Pattern Tube Microphone. The Revelation Solo is the third microphone in the Revelation family.

The MXL Revelation Solo has the vintage tube sound with the convenience of a cardioid-only pattern. The Revelation Solo has the following features:

- Cardioid pattern high quality tube microphone.
- 32mm Gold sputtered capsule.
- Hand Selected EF86 tube.
- Beautiful dark violet and chrome finish.

MXL Director of Sales and Marketing Perry Goldstein says, “The Revelation mics are our flagship microphones. Singers and sound engineers expect a high level of performance from an MXL Revelation mic based on the reputation of the two existing models. The Revelation Solo certainly delivers.”

The MXL Revelation Solo Microphone is ideal for all singers. The sound is intimate and warm thanks to the EF86 tube found in all Revelation mics.

It comes complete with an aluminum flight case, shock mount, Mogami cables, and custom power supply.

The MXL Revelation Solo has an MSRP of \$799.95, and is available in stores now.
